

## WORLD HEREDITARY COUNCIL

The Restoration of Indigenous Leadership

### **Invitation to First Nations Leaders, Wisdom Keepers, Esteemed Elders, Hereditary Leaders, and Guardians of Ancient Wisdom.**

As We stand at the threshold of a new era, We extend our deepest respect and invite You to join the **World Hereditary Council**.

For centuries, the wisdom of **First Nation Peoples** has been suppressed under the shadow of the Doctrine of Discovery. Now, as this doctrine crumbles into history, We recognise the urgent need for the re-emergence of ancient knowledge and relationship with Nature to guide Humanity.

The **World Hereditary Council (WHC)** is not merely a forum — it is a sacred space where Your Voices, long silenced, can resonate with renewed strength. Here, we seek to:

- Honour the old ways and ancestral knowledge that have endured for millennia
- Create a platform for Wisdom Keepers to shape Our collective future
- Facilitate healing, resolution and restoration by examining and expressing Our shared history with Truth and Compassion

As **Custodians** of timeless traditions, Your insights are invaluable in addressing the challenges Our World faces. The WHC offers a unique opportunity to:

- Share Your stories of resilience and cultural strength
- Guide Humanity towards harmonious relationship with and within nature
- Reclaim Your rightful voice and action in global decision-making
- Forge alliances for a just and balanced future

We do not presume to dictate the path forward; humbly, We seek Your Wisdom to illuminate the Way. The **World Hereditary Council** secretariat stands ready to support your engagement, ensuring your voices are heard and respected.

As the **World Hereditary Council**, our first proposed initiative, in relationship with the **International Tribunal for Natural Justice (ITNJ)**, is a **Commission of Inquiry into the Doctrine of Discovery**, to investigate and reveal evidence, to restore Truth and to facilitate Healing—a crucial step towards reconciliation and renewal. Your participation is instrumental in shaping this and future endeavours.

***We invite you to join us in this historic Awakening of Our shared Destiny.***

Together, let us weave a new expression of hope, healing, and harmony for all living beings  
on our **Beloved Mother Earth...**

With profound respect...

On behalf of the **World Hereditary Council**.
